REPORT OF CONFERENCE SUPERINTENDENT

Mr. Chairman and conference members, I am glad that I can say I belong to the Lord. I have endeavored to put His work first in my life. The consecration I made years ago holds good today. I want to express appreciation to both ministers and laymen for the fine spirit of cooperation I have had serving as superintendent of this Conference this year.

WORK

I have served this Conference to the best of my ability. I have endeavored to promote every phase of the Church work. I have presided over all the District Conferences except one. I represented the Conference in the General Conference; also, served as a General Board Member and am now serving as chairman of the Orphanage Board.

We have had four churches organized in the conference during the year—Wilmington Fourth Street, Middlesex, Aberdeen and Corepoint. I organized three of these and had Brother E. W. Downing organize Corepoint under my direction.

I have served as manager of the Piney Grove Camp Meeting and the Falcon Camp Meeting; supervised the Christian Workers' Institute, attended the Annual Sunday School, Youth and Woman's Auxiliary Conventions. I taught a class in the Youth Camp and served as the chairman of the Christian Education Board.

I have conducted special services or revival meetings at Thomas Chapel, Holly Hill, Sanford, Henderson, Wilmington Fourth Street, and Lowland.

I attended the Regional Meeting in Richmond, Virginia and a Radio Commission Meeting in Greenville, South Carolina.

I have preached in several Homecomings and dedicated a number of churches and parsonages.

I have made 101 church visitations and preached 163 times.

I have served as Editor of the Evangel. Have gotten out 560 personal cards and letters. We have gotten out 3,190 mimeograph cards and letters, and 2,275 regular office cards and letters. Have had 1,121 conferences with ministers and laymen in connection with conference work; handled numerous local and long-distance telephone calls.

I have traveled approximately 27,000 miles in connection with the work assigned to me.

FINANCE

I have received $5,685.00 for my services and paid $664.32 in tithes. My general and conference superannuation has been paid.

PROGRESS

I am glad to report to you that your Conference is still making progress. We began the year with 6,770 members and closed with 7,041, giving us a net gain in membership of 271. We closed the conference year last August with 136 churches and we now have 140. We have a number of prospects in the field of Evangelism. Our opportunities as a Conference are unlimited. There is a great challenge to all of us, both ministers and churches. Let us continue to march with this blessed Gospel Truth. God is leading us on! I feel sure He will help us as we go forward together.

Yours in the work of the Lord,
W. Eddie Morris, Superintendent

REPORT OF COMMITTEE ON ARK DORMITORY IMPROVEMENT

1. We recommend that instead of spending a large sum on the "Ark" dormitory, that we repair it where needed and leave it for the camp meeting attendants.

2. That in view of the need of more adequate space for youth camp and also the need for our ministers to have a place where they and their families might stay during camp meeting and conference in a comfortable manner, we recommend that as soon as possible the conference official board get plans drawn and proceed with a modern motel type building possibly on the same plot of ground where the ark now stands. Let this building be so constructed that as the conference and ministers are able it can be expanded or enlarged until our present need is taken care of.

3. Allow the conference superintendent to present this matter to the general board of administration in its next session and get their consent before construction is begun.

Signed: W. Eddie Morris, Ralph R. Johnson, C. L. Turpin, J. T. Williams.

RESOLUTION FOR A PROPOSED SCHOOL AT FALCON

Inasmuch as the conference property at Falcon lies unused except for a few weeks out of each year, and inasmuch as there has for a long period of time been a strong feeling on the part of many that there should, and could be a Christian School at Falcon, to serve the Pentecostal Holiness Church and especially the North Carolina Conference, we suggest that a committee of five be elected by this conference to canvass the interest for such a school and negotiate with the official board of the conference about the possibility of, and plans for the beginning of such a school.

REPORT OF COMMITTEE ON DECORUM

We, the Committee on Decorum, recommend the following:

1. The business procedure of the Conference shall be based on "Robert's Rules of Order."

2. The reports of ministers and local church delegates shall be limited to two minutes. This shall not apply to Conference Board members. Oral reports shall be optional with the ministers.

3. There shall be a timekeeper elected by the Conference.

4. All resolutions presented to the conference shall either be included in the Report of the Committee on Resolutions, or signed by the number of members equivalent to the Committee.

5. a. The election of Conference Officials shall be by ballot, except when there is only one nominee.

b. Nominations shall be made from the Conference floor.

c. If there is no election on the first ballot all names shall be run on the second ballot. If there is no election on the second ballot, the two names receiving the highest number of votes shall be run on the third ballot. The person receiving the highest number of votes on the third ballot shall be declared elected.

Signed: B. T. Underwood, C. C. Cribb.

REPORT OF COMMITTEE ON FINANCE

We believe that the Holy Scriptures plainly teach that paying tithes and giving free-will offerings is God's established plan for the support of His work. There can be no improvement upon this Divine teaching. We, therefore, recommend that all members of the Pentecostal Holiness Church, both ministers and laymen, carefully follow this plan as set forth in the Holy Bible and Discipline of our church—that according to the explicit teaching of Malachi 3:8-10, to do otherwise is to be guilty of robbing God in as much as the "tithe belongs to God."

In keeping with these facts, we, your Committee on Finance present the following for your consideration:

1. That in case of pastoral change, the local church shall be responsible for the moving expenses of the incoming pastor.

2. That each local church support the conference financial program by sending ten percent (10%) of its regular tithes to the conference treasurer, that said tithes be sent in each month; and in case of failure to comply with the foregoing rule a church may be asked, by the superintendent, for an explanation as to why tithes have not been paid.

3. That a member who does not tithe his income into the church of which he is a member, shall not hold any official position in the church, and he be required to furnish evidence of same to local church treasurer.

4. That this conference support the General Budget and that funds collected for World Missions, Orphanage, Education, etc., be sent monthly to the conference treasurer.

5. That churches complying with this recommendation be permitted to give and earmark special offerings.

6. That all active members of the North Carolina Conference pay one hundred per cent (100%) of the tithes (both ministerial and secular) into the conference treasury, and one per cent (1%) for conference superannuation.

7. That all tithes be paid on or before the twentieth (20) of each month, and that the names of those ministers who comply may, at the discretion of the conference superintendent, be published in the Evangel every third month, and those who fail to comply shall be subject to investigation by the conference board.

8. That both ministers and churches shall see to it that their tithes are fully paid for the conference year ending July 31st, and in the hands of the conference treasurer by August 7th.

9. That the conference superintendent, in keeping with living costs being at an all-time high, be paid $5,460.00 per year and that he receive seven cents (7¢) per mile for official travel.

10. That the conference treasurer pay for utilities (electricity, fuel, telephone and water) in the conference parsonage.

11. In view of the extreme high cost of living and maintaining adequate transportation for the ministry, and in view of our feeling that an adequately supported minister can and will do a better job, it therefore becomes mandatory:

a. That each local church pay the parsonage utilities (electricity, fuel, telephone and water) separate and apart from the regular salary of the minister. In case of a pastor who devotes his full time to the ministry and does not occupy a parsonage, that the church pay rent and utilities.

b. That each local church official board review the minister's salary at least once each year and grant increases in salary in keeping with the diligence and merit and growth of the church for which he is largely responsible.

c. That the conference superintendent be expected to take the initiative in conferring with the local church boards in the matter of pastoral support where the need is evident.

12. That recommendations from number one through eleven be incorporated with and become a part of the By-laws of the conference with the exception of number nine and ten which refer specifically to the superintendent and his support.

13. That all ministers be required to comply with the conference system of tithing, as herein set forth, but in the case of a superannuated minister where real need is evident, at his request the conference board may make a donation to him of what would be the equivalent of the tithe he paid to the conference treasury.

14. Inasmuch as many of our evangelists have been compelled to curtail their evangelistic efforts for lack of adequate financial support, the North Carolina Conference strongly suggests that pastors and church official boards take the initiative in paying our evangelists at least $75.00 per week, if possible, for their services and as much as $100.00 weekly, if possible. (Ten-day revivals shall be considered 2 full weeks in terms of paying the evangelists.)

If we are to have proper evangelism, we must support our evangelists more adequately. This can be done even in the smaller churches by establishing an evangelism fund within the local church and having sufficient funds available whenever a revival is planned.

15. That the following appropriations be made:

a. Fourteen percent (14%) of conference tithes for evangelism.

b. Twenty-five percent (25%) for Conference Superannuation.

c. One per cent (1%) for General Superannuation.

d. Two per cent (2%) for Christian Education.

1. That all funds received into the Sunday School and Youth Treasury in addition to this two percent shall comprise a fund for Christian Education.

2. That the Sunday School, Youth and Conference Board designate a person to serve as treasurer of this fund.

16. That the following appropriations be made for this sitting of the Conference:

a. Presiding Officer, Bishop J. A. Synan.....$300.00
b. Emmanuel College $300.00
c. Holmes Theological Seminary $300.00
d. Allied Church League $100.00
e. Conference Secretary .....$ 50.00

f. Conference Treasurer ..... $ 35.00
g. Rev. James W. Butler ..... $ 35.00
h. Miss Blanche E. Sasser ..... $ 25.00

17. That the salary of the conference secretary shall be $20.00 per month. The salary of the conference treasurer shall be $40.00 per month.

18. We recommend that the Woman's Auxiliary president be permitted to make the presentation of the appropriations to the colleges in connection with their college caravans.

Respectfully submitted: Harvey E. Johnson, Chairman; H. D. Marshburn, A. B. Howard, R. J. Sasser, Floyd M. Hayes.

13. That each pastor and local church take definite steps in the circulation of our current periodicals in the homes, hospitals, travel stations, jails and other public places in the interest of Pentecostal Holiness and the salvation of souls.

14. That the Conference Board in conjunction with the Advocate Press endorse the circulation of the Pentecostal Holiness Advocate as a gift subscription to as many public libraries in the North Carolina Conference boundary as deemed advisable; and one or several Pentecostal Holiness books by Pentecostal Holiness authors be sent as a gift to the college and public libraries, especially in college areas and within the boundaries of the North Carolina Conference in the interest of the propagation of Pentecostal Holiness to college students and reading public.

COMMITTEE ON MEMOIRS

In His abundant mercy, God has seen fit to stay the hand of death and keep alive all members of the conference during the year, with the exception of one of our retired ministers. For this great act of mercy we lift grateful hearts to our wonderful Lord and express humble thanks to Him.

While we rejoice in the goodness of God, we recognize His all-wise providence in removing from our ranks one of our retired ministers, the Rev. William Lee Mayo. Brother Mayo was an active member of the North Carolina Conference for 39 years. During these years he served his conference faithfully as a pioneer evangelist and pastor. We thank God for the contribution this good minister of the gospel made to this conference and to the world at large. We extend to the family our sympathy and prayers.

"In view of the high cost of living and maintaining adequate transportation for the ministry, and in view of our feeling that an adequately supported minister can and will do a better job, it therefore becomes mandatory:

a. That the local church pay the parsonage utilities (electricity, fuel, telephone and water) separate and apart from the regular salary of the full-time minister. In case of a pastor who devotes his full-time to the ministry and does not occupy a parsonage, that the church pay rent and utilities.

b. That each local church board review the minister's salary at least once each year and grant increases in salary in keeping with the diligence and merit and growth of the church for which he is largely responsible.

c. That the conference superintendent be expected to take the initiative in conferring with the local church boards in the matter of pastoral support where the need is evident.

"That all churches pay their pastors their regular salary for the Sabbath during the conference session." (1945-55)

Finances—Ministerial

"That all active members of the North Carolina Conference pay one hundred (100) per cent of the tithes (both ministerial and secular) into the conference treasury, and one (1) per cent for superannuation. A minister who fails to comply with this

shall not be permitted to pastor a church or hold an official position in the conference." (If he fails to pay his tithes he shall be excommunicated from conference—Discipline.)

"That all tithes be paid on or before the twentieth (20) of each month, and that the names of those ministers who comply may, at the discretion of the superintendent, be published in the Evangel every third month, and those who fail to comply shall be subject to investigation by the conference board." (1957-58)

"That members of the conference board, when traveling in the interest of the conference work, be paid the rate per mile as the superintendent." (1956)

"The secretary shall prepare a ministerial financial record to determine who is eligible for support from the superannuate fund." (1943)

Work of Stationing Committee

"That the Committee on the Division of Labor give due consideration where practical to churches and ministers involved in radical changes contrary to the expressed wishes of the churches." (1947)

"That the work of the Stationing Committee be conducted in short sessions over a number of days, giving the committee ample time to deliberate without becoming too fatigued through long sessions, and designating certain seasons as the certain groups or delegates or ministers may come for interviews, and providing that no **full-time** pastoral moves be made without adequate consultation with parties concerned, thereby removing at least a large amount of secrecy which has heretofore surrounded the work of the committee, and making for what we believe a more satisfactory system of labor division." (1951)

Superintendent's Vacation

"That the conference superintendent be given a two-week's vacation with pay during the year. He shall be allowed to conduct one revival meeting outside the conference boundary if he desires to do so, and pay for such services shall not apply on his salary." (1949)

Evangelistic Campaigns and Prayer Meetings

"That all evangelistic campaigns or prayer meetings conducted by our Pentecostal Holiness people within a radius of one mile of a Pentecostal Holiness Church be under the direction of the pastor or the church if at all possible."

"That the moving pastor refrain from making frequent visits to his old pastorate to the extent that he may cause confusion and lack of cooperation of the church with the new pastor. Any minister who infringes on the rights of any pastor shall be referred to the official board." (1949)

"That ministers both active and superannuated, refrain from using their influence against pastors in any way, especially in trying to determine the vote." (1957)

Camp Meeting and Conference Entertainment

"That all ministers of the conference, except superannuated, pay $5.00 per year entertainment fee. Delegates shall pay $5.00 and their meals will begin on Thursday noon before the sitting of the conference. Ministers admitted at the current session of the conference shall pay $2.50 and their meals shall begin on Friday noon of the conference. (1955-58)

"All auxiliaries of the church using facilities at Falcon be responsible for any and all breakage or damage of said facilities. Also, they shall be required to pay for the gas and electricity used in their conventions, etc."

Pastors' and Evangelists' Rent

"That where there is no parsonage, all **full-time** churches pay their full-time pastors' house rent and charge it to miscellaneous expense, and **full-time** evangelists shall have the privilege of deducting house rent from amount received." (1954)

Deeds

"That no property be accepted in the North Carolina Conference of the Pentecostal Holiness Church, Inc. with a revertable clause in the deed." (1957)

Reports

"That the conference year close July 31st, and all connectional societies close their year the same date." (1957-58)

Organizing Churches

"That any ordained minister, after consultation with the conference superintendent, in person, by telephone, or by mail, concerning the organization of a new church, shall upon approval of the superintendent be authorized to conduct the organization, and shall be required to send a written report of said organization to the conference office as soon as possible thereafter." (1957) (This invalid where not in harmony with Discipline.)

WOMAN'S AUXILIARY OF THE NORTH CAROLINA CONF. REPORT OF THE PRESIDENT—August, 1958

My heart was deeply moved and I felt humbled when you again elected me as your president. As you may recall, it was here fourteen years ago that you elected me as your first president. You are the friends who so gently and sympathetically helped me launch this great ship. The years have strengthened our ties and I find you are the same understanding and kind friends of yester-years.

As your Conference President, I have served as to the best of my ability. Progress has been made. To God be all the glory. I feel that most of the credit for what has been done must go to the fine ladies who make up the Board, and to my wonderful District Directors. Our Vice President, Mrs. Jean Williams is a real Right Hand. Mrs. B. T. Underwood has done an excellent job keeping me straight as well as the records. Mrs. W. E. Thompson is experienced at the job and has been so valuable to me. Our own dear Bliss (Mrs. A. G. Cooper) adds to anything she is connected with. We needed her to think of all the pretty things to do.

I shall never forget our working District Directors, Mrs. W. E. Thompson, Tarboro District; Mrs. Thad White, Goldsboro District; Mrs. Kenneth Tart, Fayetteville District; Mrs. Viola Jarvis, New Bern District; Mrs. Wiley Clark, Williamston District; Mrs. J. D. Jayroe, Wilmington District. These women have cer-

tainly dedicated their time and talents to the cause of Auxiliary work in our Conference. They have organized new Auxiliaries, contacted local groups, and taught the women how to be better workers for the Home, Church and Community.

REPORT OF COMMITTEE ON MEMOIRS

We, your Committee on Memoirs, sympathetically submit our report:

It was said of David that he served his own generation in the

will of God. The same can be said of the faithful members of the Woman's Auxiliary who have done what they could to advance the cause of God before their passing during the year.

Eternity alone will reveal the good accomplished by their untiring efforts and faithfulness.

We feel keenly our loss, yet, we rejoice in that they rest from their labors which they gave so unreservedly to their God, their church, and their community.

The following have left our ranks to join the redeemed ones in glory:

Mrs. Suggs, New Bern
Mrs. Maynard, Pembroke
Mrs. Frank Knowles, Wallace
Mrs. Myrtle Johnson, Kinston
Mrs. Cora Adkins, Sanford
Mrs. Lela Whitaker, Rehoboth

We recommend that this Convention stand for a moment in silent consent to the will of God, and that prayer be offered for the bereaved.

Signed: Mrs. M. Hollon Davenport, Chairman; Mrs. Viola Jarvis, Mrs. Paul Jackson.
